DANCESATION ACADEMY OF PERFORMING ARTS, RUN BY VICKY HORWOOD;

- \*Half a term's notice must be given in writing of the intention to stop classes, or the equivalent fee will be payable.
- \*Fees are due in advance of each term. They should be settled by the second lesson of the term.
- \*Any pupil not able to attend lessons should notify me on 07793117059/vicky@dancesation.co.uk
- \*Any classes missed by a student due to short term sickness or holidays will not be refunded.
- \*Dancesation cannot accept responsibility for the loss or damage to any articles left on the premises.
- \*Dancesation reserves the right to alter the price and times of classes with a terms notice to parents.
- \*Dancesation reserves the right to exclude pupils who are consistently disruptive or badly behaved. Bullying or bad behaviour of any kind will not be tolerated.
- \*I and any teacher I may employ hold current DBS certificates. (Police Checks). It is your right to ask to see the certificate, if you wish to do so.
- \*Occasionally, I may require pictures of students for our website, adverts or promotional footage. If you have any objections to me using images/video clips of your child, please fill in the media consent form and tick the 'opt out' section.
- \*We allow parents to stay in the class for their child's first class and for those children who take longer to settle in, a further week. However, I encourage parents to let the children attend the class alone as I have found that the children engage in the class a lot more when their parents are not in the room. All parents and other family members are all invited to watch the final class of the term.
- \*Adult classes can be paid on a week to week basis, however we do offer a discount if you wish to pay termly.

PLEASE NOTE:

If ever the school is compromised due to myself being away, due to sickness, the classes may be cancelled for that week, with a refund for classes cancelled by the Principal only.
